Retrofitting a Nestaflex 375 'H' Frame to a 376 Style

Nestaflex 375 conveyors have round legs.

Nestaflex 376 conveyors have square legs.

Nestaflex 375 parts are no longer available.

When replacing a broken 'H' frames or casters on a 375, you will need to replace them with the 375 style parts.

All parts are listed in the Nestaflex 376 WalMart Parts List.

You will need to know specifically which 'H' frame you need for the section it is for.

('H' frames for section 'A' are all different lengths.)

Parts required:

- 'H' frame
- 2 Casters 5" or 6" (5" part #009435 / 6" part #019435)
- 2 Top brackets (part #006470)
- 2 side brackets (part #001875)
- Possibly 2 new handles (part #017792-001)
