GENERAL SPARE PARTS LIST 2002

MODULA

Remarks:

1) PAINTED PARTS:

On the catalogue you will find the code of unpainted components. To request the right painted p/n, please check the color code on the Serial Number Label. If missing, indicate in your order the Machine Serial No.

2) P U M P S

We have several version of pumps. To understand the one you need pls. Make reference to the Technical Bulletin (or to the instructions accluded to your machine).
